MayFest 2023 will be great this year and should not be missed! May 5th and May 6th will bring vendors, entertainers, musicians, artists, and visitors together on one street—Third Street, the heart of the Leesville National Register Historic District.

Traditional activities such as the Lion's Club Breakfast, many food vendors, combined with the latest in sound and lights on the 1910 historic Courthouse lawn, and a variety of popular regional, state, and nationally-known music artists will make MayFest the place for vendors to be!

Vendors, take advantage of this opportunity to sell to repeat customers and generate new customers.

Send in your completed application and fee before March 6th, 2023 and take 15% off the booth price only! Other fees, such as electricity and extra hitch space remain the same. Just mark the correct amount, booth price minus 15%, in the correct space on your application, add any additional fees—electricity, extra hitch space, etc., and place the total due on the application. Must be returned by the end of business, on Monday, March 6th, to take advantage of this offer! Prices for booths will return to the regular, full amount on March 7th, 2023.

Please don't hesitate to call if you have any questions.

We look forward to seeing you at MayFest 2023!
